(1) In his previous proposation statement an accountant on Rs 50-4-90 and a clerk on Rs 25-2-45 had been proposed by C.C.F. besides a typist on 30-3-60 (ie 4 officials against existing two). This increase of strength was not accepted but a suggestion was made that a typist on Rs 40/- may be allowed. The C.C.F., in the revised proposals, has made provision for three officials ie one Accountant on 50-4-90, one Store Keeper on 25-2-45 and one typist on 30-3-60. Though only one hand (typist) has been proposed as addition, higher scales are recommended in the case of Accountant and Typist. This is also for consideration and orders.

(2) The addition of one peon for the Ranger seems necessary. The scale of pay of peons proposed now 11-1/2-15 may have also to be accepted.

**MYSORE FOREST DEPARTMENT.**

OFFICE OF THE CHIEF CONSERVATOR OF FORESTS
IN MYSORE.

*Bangalore, dated* 23-6-1944

From

*The Chief Conservator of Forests*
*in Mysore, Bangalore.*

To

*The Secretary to the Government*
*of H. H. the Maharaja of Mysore,*
Education Department, *Bangalore.*

Sir,

Subject: Placing the staff attached to the Forest Research Laboratory, Bangalore, on a permanent basis.

---

Adverting to para 5 of the Memo of Instructions of the Minister for Industries and Supplies when he inspected the Forest Research Laboratory, Bangalore, on 12th November 1943, directing the submission of proposals on the above mentioned subject, I have the honour to state that as per Government Order No. G. 5201-2/Ft. 47-37-1 dated 11-1-1938 the Forest Research Laboratory, was established to provide for the continuous study of technical and commercial problems arising from the development and utilisation of the Forest resources of the State in addition to the investigation of particular questions like the spike disease on Sandal, fungal infections on some of the timbers etc.

2. Particulars of the staff (Laboratory and office staff) sanctioned on temporary basis (without any time limit) for the Forest Research Laboratory as per Government Orders are detailed below:-

(i) Two Laboratory Assistants on Rs.60-10/2-100. (vide G.O. No.AF. 4323/Ft. 16-39-46 dated 23-7-1940).

(ii) Two Laboratory Attenders on Rs. 15-1-20 (vide G.O. No.AF.8332-3/Ft. 21-39-20 dated 15-5-1941).

(iii) One Office Peon on Rs.35/- per mensem.
(iv) One Storekeeper on Rs.30/- P.M.
(v) One Fireman on Rs.35-2-45.
(vi) Four Watchmen on Rs. 11/- each per mensem.

(Vide Government Orders No.G.5801-2/Ft. 47-37-7 dated 11-1-1938. No.AF. 3875-6/Ft.123-41-2 dated 3-2-1942. No.AF. 4128-9/Ft.134-39-4 dated 16-7-1942.

(vii) No.AF.346-7/Ft. 250-41-2 dated 10-8-1940.

3. The temporary Ranger on Rs.50-3-65 sanctioned in connection with Sandal Valuation Survey work as per G.O. No.G. 2864-5/Ft. 30-34-11 dated 22-9-1938 has also been made available to the Forest Research Laboratory to assist the Forest Mycologist and the Forest Chemist in their investigations relating to Sandal Spike and other allied matters. The expenditure on account of all the above staff is being met out of the budget grant under "2. Forest B. ~~xxxxxxxxx~~ Establishment".

4. In addition to the above staff, the marginally noted* temporary staff for work in the Laboratory Workshop and the experimental nursery is being entertained and continued year after year as per Government Orders and the expenditure involved is being debited to "Conservancy and Works" budget.

* 1) One Artist on Rs.35/- per mensem.
2) One Operator on Rs.23/- do.
3) One Recorder on Rs.20/- do.
4) One Helper on Rs.16/- do.
5) Two Nurseery men on Rs.11/- each per mensem.
6) Two coolies on Rs.11/- each per mensem.
7) Two Nursery Male coolies on Rs.10/- each per mensem.
8) Four Nursery Female coolies on Rs.6/- each per mensem.
9) Four watchmen on Rs.11/- each ~~xxx~~ per mensem.
10) One Peon on Rs.11/- per mensem.
(Vide Government Orders No.AF. 2174-5/Ft. 31-42-13 dated 15-11- 1943 and No.AF. 2384-5/Ft. 89-43-2 dated 25-11-43).

5. Since the time ~~of~~ the Forest Research Laboratory has been established in 1938, the research and scientific activities have been steadily expanding in all directions. The subordinate staff is entertained in the Laboratory on temporary basis and all most all of them except the Laboratory Assistants, and Attenders, are in receipt of fixed pay. This has led to a feeling of insecurity and discontent among the members of the staff and consequent temptation to secure better remuneration and permanent standing elsewhere. While formulating these proposals for making permanent the staff of the Forest Research Laboratory, I have taken into consideration that the Forest Research Laboratory is a permanent ~~adjustment~~ adjunct to the Department and that in the interests of the steady progress and further development of research and scientific work in all directions without any let or hindrance the Laboratory should be provided with

with adequate permanent staff. In the accompanying proposition statement (in duplicate) containing particulars of the staff to be sanctioned and continued on permanent and temporary basis the undermentioned appointments on fixed pay are proposed to be revised into time scale appointments as shown below with a view to provide the incumbents of the said appointments with the necessary inducement to stick up to their posts and avoid their quitting service after obtaining sufficient training and skill for securing better remuneration elsewhere.

| Existing staff. | Present pay. | Revision of pay proposed. |
|---|---|---|
| | Rs. | Rs. |
| i) One Artist on | 35/- | 35-2-45. |
| ii) One Operator on | 23/- | 25-2-35. |
| iii) One Recorder on | 20/- | 20-2-30. |
| iv) One Helper on | 16/- | 15-1-20. |

6. The various works relating to construction, pattern and design making, preparation of wood samples for testing and other laboratory investigations are now being turned out by employing carpenters on daily wages. In view of the scarcity of skilled carpenters and the keen demand for their services at present, it has become difficult to secure the services of experienced carpenters. It is therefore proposed to provide two permanent posts of carpenters - one on 35-2-45 and the other on Rs. ~~30-135~~ 30-1-35 as detailed in the accompanying proposition statement.

7. **Office staff:-** The Ministerial and Menial staffs sanctioned to the Forest Research Laboratory consist of:-

i) One clerk on Rs.35/- per mensem.
ii) One Store-keeper on Rs.30/- per mensem.
iii) Four Peons on Rs. 11/- each per mensem.

8. Due to the steady increase in the volume of correspondence and accounting work consequent on the various schemes undertaken in the Forest Research Laboratory, it has not been possible for the existing staff of one clerk and one store-keeper to cope up with the increasing work. For want of adequate staff it has not been possible to the Research Officers to attend expeditiously to various scientific

scientific and routine correspondence and to render monthly accounts to this and the Audit offices in time. The Comptroller to Government has more than once complained to Government about the abnormal delays in the receipt of the monthly accounts of the Forest Research Laboratory in his office. The Research Officers have been urging frequently for the augmentation of the clerical staff of the Laboratory. As these officers are not to be burdened with the increasing volume of accounting and seriptory work it is necessary to augment the Ministerial staff of the Laboratory. Accordingly I recommend that the undermentioned office staff (as per particulars detailed in the accompanying proposition statement) which is absolutely necessary may be kindly sanctioned.

1) One Accountant on Rs.50-4-90.
2) One Clerk on Rs.25-2-45.
3) One Storekeeper on Rs.25-2-45.
4) One Typist on ~~Rs.30-360~~ Rs.30-3-60.
5) Two Peons on Rs. 12/- each per mensem.
6) Two Peons on Rs.11/- each do.

9 The above proposals for the revision, augmentation and making permanent the staff of the Forest Research Laboratory have been formulated after a thorough investigation of all the needs and requirements of a Research Institution and I strongly recommend that these proposals may be kindly sanctioned with effect from 1st June 1944.

10 The extra expenditure involved on account of these proposals will be Rs.239 2/3 per mensem and this will be met out of the possible savings in the budget grants of the current and the next year and separate provision will be made in the Departmental budgets for the subsequent years.

11 The sanction accorded in Government Orders No.AF. 2174-5/Ft. 31-42-13 dated 15-11-1943 and No.AF. 2384-5/Ft. 89-43-2 dated 25-11-43 for the continuance of the marginally noted staff has expired on 31st May 1944 and the continuance of this staff is necessary from 1st June 1944. I, therefore recommend that the continuance of the

Sir

With reference to your D.O. No T 232-526/43 9 12-1-1944 in the matter of placing the staff attached to the Forest Research Laboratory on a permanent basis I am directed to state that ~~Govt have approved of your proposals in this behalf as detailed in the proposition statement enclosed to your letter No. /C 23 275-6/43 9 23-6-1944~~ With the modification that only one Carpenter on a lower scale may be employed instead of two Carpenters and one more typist clerk may be appointed ~~to~~ in addition to the existing clerical establishment if other staff is considered necessary

Govt have no objection to sanction to continue the existing staff on a permanent basis

The experimental nursery will continue on a temporary basis as at present.

I am to state that a revised proposition statement on the above lines may be furnished to Govt very soon.

RE:- Proposals for placing on a permanent footing the temporary establishment sanctioned for Forest Research Laboratory.

---

With reference to your letter No. A.F.4829-Ft dated the 19th April 1945, regarding the above, I have the honour to forward herewith a revised proposition statement and to state as follows:-

1. Instead of two carpenters on the permanent cadre, one on the permanent cadre and one on the temporary cadre are proposed.

2. Anent the suggestion that the post of an Accountant is not necessary, I am again to urge for its sanction for the reason that large sums of money are being expended in this institution and it is desirable to have a Senior Ministerial Head in charge of the office. As the grade proposed for the typist clerk is 30-3-60, that of the Accountant who would be the ministerial head has obviously to be of a higher grade viz., 50-4-90, as proposed in the statement. To keep down cost, I have proposed the conversion of the existing post of a clerk into that of an Accountant and I hope this will ~~be met~~ meet with the approval of Government, as the small extra cost of Rs. 38 1/3 p.m. on this account will largely contribute to the efficiency of the institution.

p.t.o.

3. In my former proposals provision for a peon to the Ranger attached to the Forest Research Laboratory had been omitted since the post of the Ranger has been proposed to be made permanent it is equally necessary to place on a permanent footing that of a peon. So the number of peons has been increased from four to five.

4. In the former statement sent by me peons were proposed on a fixed pay. But as Government have sanctioned a uniform grade of Rs. 11-1/2 years-15 in Go.O.No.FL.1436-78/S&A.52-44-1 dated 12-10-1944 to all peons attached to offices in Bangalore, graded pay has been proposed to the peons in confirmity with the Government Orders.

As a result of the above revisions, the extra cost per mensem would be Rs. 215.11/15 as against Rs. 239 2/3 originally proposed.

I request you kindly to obtain and communicate to me the orders of Government in the matter very early.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Conservator of Forests

O R D E R No. AF 5049-50/Ft-268-43-5

DATED, BANGALORE, THE 30th MARCH 1946

In their Order dated 11-1-1938 read above, Government were pleased to sanction the establishment of the Forest Research Laboratory with a view to provide for the continuous study of technical and commercial problems arising in connection with the development and utilisation of the Forest resources of the State in addition to the investigation of particular questions like the spike disease on Sandal, fungal infection on some of the timbers.

Since the establishment of the Research Laboratory in 1938, the research and scientific activities have been steadily expanding in all directions. The Subordinate staff employed in the Laboratory is on a temporary basis and almost all of them except the Laboratory Assistants and attenders are in receipt of fixed pay and it is stated that this has led to a feeling of insecurity and discontentment among the members

members of the staff leading to a desire to secure better remuneration and permanent footing elsewhere.

With a view to secure steady progress and to ensure further development of research and scientific work in all directions without any let or hindrance, the Chief Conservator of Forests has submitted proposals for placing the temporary establishment of the Forest Research Laboratory on a permanent footing and for the augmentation of the staff and also for the revision of the grades of the staff.

Government have carefully considered the matter and are pleased to sanction the proposals of the Chief Conservator of Forests with necessary modifications as indicated in the proposition Statement (appended.)

Sanction is also accorded to the continuance of the existing temporary staff attached to the Experimental Nursery, Forest Research Laboratory on the existing basis for a period of one year from 1-6-1945.

The Chief Conservator of Forests is requested to intimate the Comptroller to Government, the source for meeting the extra cost involved in the proposal during 1945-46. Necessary provision on this account will be included in the budget of the Forest Department for the years subsequent to 1945-46.

For Secretary to Government,
General Department.
